

Design and Creative Intern

Job Description:

We are looking for an intern with a passion for design who will assist with the marketing department in daily and weekly tasks. This position works closely with the marketing team to assist with key projects and requires excellent communication skills. This position requires that you follow the company's brand guidelines to create a cohesive look across various mediums including print, email and web, to engage existing and potential customers.

Position Responsibilities:

This role has plenty of variety and requires some serious multi-tasking, such as assisting with:

- Internal digital display notifications.
- Assembling stock imagery based on brand guidelines.
- Designing graphics for web, email, social and print.

Qualifications:

- Pursuing a bachelor's degree in Marketing, Communications, Journalism or related field.
- Excellent attention to detail and highly organized.
- Passionate about Marketing/Communications.
- Experience with Adobe Editing Software.
- Experience in, or understanding of, Marketing.
- Strong problem solving and troubleshooting skills.

This opening is for our Topeka office. To apply, email marketing@studenttreasures.com with your resume and cover letter.
