

## **Video Production Intern**

### **Job Description:**

We are looking for an intern passionate about video production who will assist the marketing department with various projects. This position works closely with the marketing team to assist with the execution of key videos by following brand guidelines for use across various mediums, including print, email, social, and web.

### **Position Responsibilities:**

This role has plenty of variety and requires some serious multi-tasking, such as:

- Assisting with the set-up of cameras, lighting, and audio equipment.
- Capturing video footage for various purposes.
- Brainstorming ideas for video content and assisting with the filming, narration, voiceover, and production of videos for different platforms.

### **Qualifications:**

- Pursuing a bachelor's degree in Digital Filmmaking, Video Production, Digital Media, Marketing, Journalism, or a related field.
- Excellent attention to detail and highly organized.
- Strong problem-solving and troubleshooting skills.
- Passionate about video creation.
- Use video editing software (e.g., Adobe Premiere Pro, Final Cut Pro) to edit raw footage, add graphics, and create final video products.
- An understanding of storytelling through video.

Flexible start and end dates. This opening is for our Topeka office. To apply, email your resume to [marketing@studenttreasures.com](mailto:marketing@studenttreasures.com).
